GWT China is an annual event where global wood traders meet in China. It's an extraordinary opportunity to learn the latest Chinese and global wood markets information, and to expand your business network. It was established to facilitate and promote information exchange and business cooperation for the global wood trade community. In 2011, GWT China takes place in one of China's major port cities each year. Till now, eight cities, which are Tianjin, Taicang, Guangzhou, Qingdao, Shanghai, Wuhan, Chengdu, Chongqing have witnessed the remarkable success of previous GWT China Conferences.

China Timber & Wood Products Distribution Association (CTWPDA), established in 1985, is a non-profit organization made up of enterprises, institutions and individuals in the timber and wood products (including bamboo and bamboo products) processing and distribution industry. It consists of over 3000 members engaged in timber importing, exporting, wholesaling, as well as manufacturing, marketing and exporting of wood products.

Established in April 2012 upon the approval of the Ministry of Civil Affairs of the People's Republic of China, CWIC is voluntarily joined by enterprises, institutions, experts engaged in the trade, study, education and industry administration of timber and wood products' importation and exportation, that aim for setting up platforms for information exchange and cooperation to promote international timber and wood products trade.

FEA Canada provides industry and market expertise in the solid wood products field to its clients. Many of its activities are tied to elements of our clients' business plan to integrate raw material inputs with existing or proposed processing facilities to fit with product and market options. The WOOD MARKETS team has delivered expert consultative services in global markets to an extensive client base in Canada, the United States, New Zealand, Australia, Chile, Brazil, China, Europe, Russia and other countries. Our global network of contacts and comprehensive data-base delivers strategic results for clients.
